Summary: Well, in this one I will write some random stories but it will focus on Personas more than human(yeah this will explain for the title). The timeline of this fic is unspecific because I'm just adding some funny events(no more strategy things!) There are Minako but she will not be a special Persona user like Minato and her Persona is Artemis (Well i don't know who to chose).
Enjoy

Persona 3: It's Personas time!

****Hey, everyone, this is my third fanfiction. This one don't have specific story, it just some random story I write and it will focus on Personas.****

****Minato will have these
Persona:****

****Orpheus****

****Messiah****

****Thanatos****

****Alice****

****Jack Frost****

****Note: the words in *-**_italic word-* **mean the speaker is whispering or talk small**_**

****Baka mean stupid or fool in Japanese****

><p>In the evening, when everyone is sitting in the ground floor, reading books and something happen.

Minato: (Hmm, this book is a little hard to understand, well have to do what teacher told us to-)

Arghh! My chest!

Yukari: Woa! What is it? You have a heartache?

Minato: W-Well, n-o, *urgg* I don't have any sickness relate to heartâ€|*ahh*

Yukari: Maybe Personas is fighting in your heartâ€|haha.

Junpei: Really? Thing like that could happen?

Minako: I don't think so, no maybe I could happen!

Yukari: No, I just kiddingâ€|seriously are you ok Minato? I think your health is perfectly fine these day?

Minato: Maybe you right the Personaâ€|

Meanwhile:

Thanatos: Hey Orpheus~ (I'm gonna make him remember the pain, hahaha!)

Orpheus: What?

Thanatos: Remember the day I rip you apart~~?

Orpheus:Wh-What about that? Don't remind me thing like that/

Thanatos: You feel the hurts right? HAHA!

Orpheus: Grr..(He make me angry)

Thanatos: Well, you are weak so if I not take your place, Minato may die already, hahaha!

Messiah: Don't say miserable thing like that.

Thanatos: Hah, you mad?

Messiah: No, not reallyâ€|

Orpheus:â€|.

Thanatos: Hah, hey Orpheus, don't you mad or wanting to punch me here, you fools, stupid, haha!

>Orpheus: Grr,that is enough *use Bash on Thanatos*<p>

Thanatos: Ouch (what? I though he doesn't dare to!) You want a fight? Huh?

Orpheus: Isn't that you the one who want a fight first?

Thanatos: Heh, whatever, here is the rules, no using any move relate to Minato's HP or SP, in other word, you CAN'T using any skills of yours because if you do that Minato will get a lot of pains.

Messiah:â€|. (I think even if we fight without using skill, Minato will still get hurtâ€|)

Alice: Should we stop them?

Messiah: I don't know, just let it be.

Orpheus: Ok

****And then they start to fight. Thanatos start by some punching move (like boxing), Orpheus dodge them somehow and take his harp to bang into Thanatos's face. Then Thanatos take his sword to slash into Orpheus, one slash hit him.****

Orpheus: Arghâ€|

Thanatos: Heh, I will rip your head!

Orpheus: (no, that is not gonna happen again!)

****Back to Minato****

Minato: Right, maybe it is the Personas, I will *ouch* call o-one of them out, ok *take his gun out and callâ€|Orpheus* Huh? What the, why he is not coming out?

Minako: Really? You think so too? But it just aâ€|joke of Yukari.

Junpei: Our leader has weird thought, calling persona out not for battling huh?

Yukari: Hey, but it is a persona, you can talk to it?

Minato: Well *ouch* they know how to talk right? They are not animals.

Orpheus! *Not thing come out* Huh?

****Back to the personas****

Messiah: Hey Orpheus, Minato is calling youâ€|

Orpheus: Huh? Is that s-. Hey!

Thanatos: Heh, don't you dare look at other place!

Messiah: Hey, stop, Minato is calling Orpheusâ€|

Orpheus: I will bang you with my harp and get out of here *take out his harp*

Messiah: Get out there already! *Push Orpheus*

Orpheus: Tch, ok

Somehow he get out with his harp in his hand.

Minato: "Ah, hey, what with the harp you are holding, ah you want to bang me with it?

Orpheus: O-of course not! *Put his harp away*

Yukari: (he is talking normally, to a Persona! I think I would be nervous)

Minato: You are fighting in there? (the pain gone!)

Orpheus: Yes

Minato: With who?

Orpheus: Thanatos

Minato: ! Woa, Thanatos, but he is tough, how could you?

Orpheus: He said not to use skill, if we use you will get a lot of pains, so

Minato: oh, like how humans fight, but, I still getting hurt.

Orpheus: Really?Hmm *turn his face away* It's Thanatos fault after all, well I should go back, I think "Hope he not gonna rip my head-

Minato: WHAT? Rip your head? How much pain will I get then! You are not going back there until his insane though gone.

Orpheus: Oh, it is mean I gonna stay in here? At the outside world.

Minato: Yes.

Yukari: Is it that a good idea?

Minato: I don't want to get any pain while reading the book.

Minako: If it is me, I will don't want to get the pain too..

Junpei: Yeah, it just like you don't want to be disturbed when playing video games.

Minato: Yeah, so you gonna be here, not going back, now I think I should order someone to calm Thanatos down, Alice! *bang*

Alice: Hey, master.

Minato: Yeah, I heard about the fight between him and Thanatos, so could you calm Thanatos down?

Alice: Hmm, ok, well Baka-san too weak! So you are lucky to be called out here for safety! Hah!

Minato: No no for my safety, I think.

Junpei: She is cute but bitter words.

Minako: Baka-san?

Alice: Well, since he is a BAKA, that is how I call him.

Yukari: Oh , you read the mythology huh?

Alice: Maybe.

Minato: haha, maybeâ€¦|

Minako: But that nickname sound cute~

Alice: I know right?

Orpheus: heh, cuteâ€¦|

Alice: Well, I will go and told him to calm down *vanish*

Minato: sigh, that will do it. Ok, sit wherever you want.

Orpheus: Ok

****Orpheus sit on the ground next to the position Minato is sitting(Minato is sitting on the sofa) And the others feel weird and nervous.****

Yukari: (Thing like this ever happen before)

Junpei: (I feel weird)

Minako: (I feel strange, well let's see how thing goes!)

Orpheus: (Hmm, sitting out here it's thing I never expected)

****It's really quite now. Minato come across some Latin words and it hard to understand, the books he is reading content English and some Latin words so it hard to understand, well it words but not Latin.****

Minato: Ahh, do you guys know this word?

Yukari: *****acidus**** sorry, I don't know. Do we have any Latin words dictionary?

Minako: Nope.

Junpei: Well, the internet is the best way to search~

Minako: But, the internet cable is being repaired.

Junpei: Oh, yeah, sorry.

Minato: Hmm(how aboutâ€¦|) Hey, Orpheusâ€¦|

Everyone: (what?)

Minato: Ah, t-this sound stupid bu-t do you know th-the meaning of this w-word?

Orpheus:â€|it means "sharp" or "sour"

Minato: O-ok (phew! I manage to ask him) Huh? W-why are you guys looking at me?

Minako: W-well, I don't think you will ask him.

Junpei: It pretty weird you know, asking a persona about that.

Minato: I just think persona it isâ€|just like us, yeah.

Yukari: They are something higher or special, man. If I were you, I would be really nervous to ask him that. You know, he is a Persona.

Junpei: Yeah, and mostly we use Persona to kick some shadow asses.

Orpheus: *somehow bored and take a book he sees on the ground* (Japanese word huh? Of course I can read it)â€|..

Minako: *look at Orpheus* (He can read? Of course he can how ridiculous, but Japanese?)

Minato: * look at Orpheus too* (Really? He is interested in books? Never thought of that, well whatever, I will continue my book)

At that time, Akihiko and Mitsuru come back to the dorm.

Akihiko: Hey, we're back. What the-

Mitsuru: Ah, Persona? What is he doing out here?

Minato:â€|.Long story

Orpheus:â€|..

Akihiko: I don't know he is interested in book *talk happily*

Minato: Never thought so too.

Akihiko: Well whatever, anything to eat?

Mitsuru: Just check the kitchen, I go with you.

Akihiko: Ok.

Yeah, they left. Everyone almost finish their book too, Minako is thirsty and get some water.

Minako: ~~~ *get some water andâ€|*

Minako get the cup of water but she trip while walk past Orpheus.

Minako: Wah!*trip* Ouch!

****Yeah and all the water splash on Orpheus and of course, the book.****

Yukari: Ah, are you ok?

Minako: Ughh, ah water, no the book,no Orpheus! I'm really sorry!

Orpheus:â€|..(the book, it wet, my face too)

Minato: Ah, you ok? Lucky your weakness is not water
joking

Yukari: Ah ah, the tower! *throw the towel straight to Orpheus's face*

Orpheus: !

Junpei: That is how you give someone a towel, what a strange way to give, I know he is a persona but you don't have to act specific toward him you know.

Yukari: I know but I feel nervous somehow so Iâ€|

Junpei: So that is how you act when you are nervous, I feel bad for her boyfriend in the future if she have one.

Yukari: *blush* What!? You...!

****Orpheus wipe the water out of his face but not the book.****

Orpheus: Oh, the book, sorryâ€|

Minako: It's not your fault! It 100% my faultâ€|

Akihiko: What is it?...Ah! My book!

He take the book quickly

Akihiko: You did this?

Orpheus:â€|.No

Minako: Woa, senpai! It's my fault, I accidently splash the waterâ€|

Akihiko: Is that so? H-Hey, sorry, man.

Orpheus:â€|Yeah, ok.

Akihiko: Hey, really sorry.

Mitsuru: Hah, you are too quick on judging someone.

Akihiko: Yeah, sorry.

Orpheus:â€|..*suddenly he shaking* (oh what, what is this scary

thought of mine)â€|

Minato: You ok? You have weird expression.

Orpheus: Suddenly I have some thought like Thanatos gonna rip my headâ€|

Minato: really? Don't tell me Thanatos inject those thought to you, haha.

Orpheus: Maybeâ€|
